Club News & Notes

December Meeting—Holiday Social

The holiday social had a nice turnout. The raffle of the Bear Creek season pass was won by Lee Garner, and raised \$235 for the lodge fund.

First Scheduled Ski Trip

This year's Hunt for Snow season kick off had a good turnout, despite some less than co-operative weather (see page 6 for details). 15 people braved icy roads to be there. Most folks skied Killington on Saturday, where crowds and limited lifts prevailed until late in the day. Some left early Sunday, and those staying on went to Stratton and Mt. Snow. Operations at Mt Snow were limited due to the loss of power to the summit. Conditions gradually improved through the weekend, but staying strictly on groomed runs was the rule for the weekend.

Lodge Use Reminder

Members are asked to remember the lodge use policy changes approved last season:

Cancellations: If a club member does not show for a reserved date, or shortens their stay on a trip, a credit for another day will be issued in lieu of a cash refund. Any credit issued must be used by September 30 following the date of issuance.

Guest Use: There will be no guest children age 6 and under during weekends in February and March unless part of a scheduled family weekend. Members are reminded they are responsible for all guests.

FOR SALE

Downhill Skis: 164 cm Volkl Vertigo skis with Marker bindings; used for two years. \$1000 new, will sell for \$250. Contact Don Kratz: cell# 215-872-1734 or email dkratz@enter.net.

REGULAR MEETINGS ARE THE SECOND WEDNESDAY OF THE MONTH, 8 pm AT SPRINGFIELD MASONIC HALL ON RT 320, SPRINGFIELD (DELAWARE CO.) PA. NO MEETING IN JUNE, JULY, OR AUGUST.

ACTIVITIES & TRIPS

Scheduled hiking, biking, and paddling is over for the year, and its time to focus on skiing! Read about the last of the scheduled Wednesday hikes in a report by Shannon O'Hara, Mary Ann Popma's granddaughter, on page 6.

SKIING

Yes, ski season is now underway. Don't forget any payments due on our major ski trips; if you have been undecided, check with trip leaders for any last minute openings. And be sure to get reservation requests in for lodge trips, as they seem to be filling fast.

TRIPS:

This year we are looking to re-ignite the spirit of skiing off the beaten path (or out of the lift line, if you prefer). You will get a lot of exercise, and save on lift tickets and those pricey ski area lunches as well!

There will be a **cross country weekend** at the Lodge from February 12-15. The area around the lodge offers an abundance of opportunity from groomed nordic areas to more remote back-country tours on the Catamount Trail. Details are in the ski schedule—lets hope for better conditions than the ice that prevailed during last year's inaugural event.

New this season will be an extended **spring weekend in the White Mountains** to ski both Tuckerman Ravine as well as area resorts (Wildcat or Sunday River) that may be open. This trip will coincide with the running of the Tuckerman Inferno, a pentathlon race capped off with a ski race down Tuckerman's Ravine—sure to be exciting! Details and the sign-up for this trip (no, not for the pentathlon!) are on page 8. Space is limited!!

TICKETS:

There have been changes to the **EPSC lift ticket voucher purchase** program from the original notice in the December newsletter; Pennsylvania areas tickets are generally higher than originally posted and Bolton Valley in Vermont is now included. See pages 4 and 5 for details and the updated order form, or visit the EPSC web site: www.easternpascouncil.org

In the November newsletter we made note of the **Killington Club Card** as a good way to make skiing at K'ton more affordable. Management must feel their skier traffic is down & needed to create their own "economic stimulus" plan so they have made some attractive changes to the program. Per their announcement:

"As an added value, and to address your feedback, we've decided to make some great changes to the Club Card. Effective immediately, Club Card holders will now be able to redeem up to 2 tickets per day from their Club Card. This change will affect all Club Card holders, regardless of when they purchased their card and allow them to bring a family member or friend to the slopes with them! In addition, we've also extended the purchase deadline to January 16, 2009."

To purchase your Club Card or for additional information, visit the web site www.killington.com/clubcard or give call them at 800-887-3257. You do need to order on the web site, but you do not need to pick up your Club Card by January 16, 2009, it just needs to be ordered by then. Note that you can NOT get a link to the above web site from the Killington home page.

When has Killington ever played Santa before? Now if you were signed up on the Buck Ridge list service (see p. 4) you would have known about this on December 18!

IMPORTANT!!! VOUCHER PROGRAM UPDATE

There have been important changes to the voucher ticket program information that was printed in the December newsletter; the updated form is now enclosed.

Changes to note:

1. Lift ticket prices for Pennsylvania ski areas are generally higher.
2. Sno Mountain (formerly Montage) has instituted a somewhat convoluted system requiring ski clubs to submit membership rosters *in advance* prior to a discount ticket sale. If you are thinking of purchasing a Sno Mountain discount ticket, check with a club leader to be sure this has been done. Our membership roster is usually not finalized until December.
3. Bolton Valley is now included. Upon submitting your application to EPSC, you will get a coupon that will allow you to purchase a lift ticket at the ticket window for \$29, valid any time.

We apologize for any confusion this may have caused. All other conditions of the program remain the same. Ticket voucher order forms should be forwarded to Ken Foster at the address below. Remember, may be purchased by EPSC Members Only. Some mountains will request to see a membership card. Carry it with you so you won't be embarrassed when asked to present it! Any unused vouchers which can not be used next year must be returned to NO LATER THAN APRIL 1, 2009 for the Pocono Area Mountains and NO LATER THAN MAY 1, 2009 for the New England Area Mountains. Any questions, call Ken at 215-822-1413.

Mail your order forms to: **Ken Foster, 163 New Jersey Avenue Chalfont, PA 18914-3003 THINK SNOW!!!**

Join the Buck Ridge Listserv

One of the best ways to communicate within our ski club is to join our Buck Ridge Yahoo Group. Just click on the Yahoo Groups icon on the Buck Ridge Ski Club Web site (www.buckridgeskiclub.org). This will take you to a page that gives you step-by-step instructions on how to join and guidelines in using the group listserv. Please join today and become an informed Buck Ridger.

You ask "Why join this group, I don't want more junk emails than I already get now". The only people who are eligible to join are members of the club, and only members can post messages to the group. It allows the club to send out notices to the members about last minute club events/activity reminders (such as the Bear Creek season pass raffle) and newsletter availability. The more members who join means they are better informed. As individuals you can arrange carpools, look for a ski partner for a day in the Poconos or a weekend at the Lodge. Once approved, you can set user options for things such as delivery of individual posts or consolidation as a daily digest to reduce your inbox clutter. And, like other email notices you get, if it does not work for you, you can always un-join. Try it today!

Last hike of the season... see you next spring!

Darlington Hike

It was one our normal, weekly Wednesday hikes, but our lunch break was extraordinary. Mary Ann brought along 3 of her grandchildren, Shannon (13), Peter (11), and Joey (9). On this particular hike, on Darlington Trail, everybody stopped for lunch by an old railroad track with an almost vertical slope of loose dirt and tree roots next to it. During the lunch break, the 3 kids attempted to climb this slope, and succeeded several times. Paula also brought along a guest, Lucky, her Australian sheep dog. Naturally, being a sheep dog, Lucky kept all 13 of us on track and together. Indeed this was surely an exciting hike! 😊

P.S. Thank you, Jim, our hiking chairman, for a great hiking season –Mary Ann

Hunt for Snow... and a Hunt for Electricity! or What to Do in a Power Failure

This years' Hunt for Snow came with a little extra hunting. A continuous rainstorm on the drive up on Thursday turned into an ice coated nightmare on Friday. Power went out at the lodge around 4.30 am Friday morning, came back on briefly for about an hour around 9 am, and then was off the rest of the day until just before sunset. We were fortunate—some areas were still without power a week after the trip! This event was fruitful, in a way, in that it made us aware of what users of the lodge should be prepared for in the event of a power failure.

1. Lighting: take a flashlight or headlamp with you, along with matches or a lighter. There is a small supply of candles in one of the kitchen cabinet drawers but you will need to improvise a candle holder, such as a wine bottle.
2. Heat: the primary heat source is propane. Although this will still work with the power out, the blowers on the wall mounted heaters will not circulate air. The door to the lower kitchen should be kept open during a power outage to help distribute all heat sources, and the fireplace should NOT be used as it will quickly draw warm air from inside up and out the chimney.
3. Cooking: the electric stove in the upper kitchen will, of course, not work. The stove in the lower kitchen runs on propane, so it will continue to work but will need to be lit with a match or lighter.
4. Water: there will be none! No flushing, no washing, no drinking. You may want to think about bringing a couple of gallons from home if the weather forecast is dicey. It will be possible to melt snow on the heaters for limited use, or fill buckets from any running or dripping water outside for use in toilets. Guys should pee outdoors.
5. Telephone: Thanks to outdated technology, the telephone at the lodge should still work providing the phone lines have not come down. Cell phones will probably NOT work since the cell towers rely on electricity to function, and, based on our experience at HFS, do *not* have back-up generators!
6. Food: Although the refrigerators will not work, keeping perishable food cold should not be a problem—just put it outside, its winter after all! Put things you want to keep cold but not frozen inside a cooler on the back porch or in the ski room.

So when you're at the lodge and the lights go out, drink some wine, put a candle in the bottle, and start dealing cards! Unfortunately, you can't play Monopoly anymore since the mice ate all the money.

Inferno in the White Mountains of NH
April 16-20, 2009 @ Pinkham Notch \$227.36 pp

Join Buck Ridge Ski Club's skiers and hikers and help us carry on the tradition of spring skiing in Tuckerman Ravine. The snow is soft and the weather is usually warm, with long bright sunny days. On Saturday The Friends of Tuckerman sponsor the annual Inferno Pentathlon Race, which this year has an added feature with a more recreational venue taking place simultaneously at Wildcat Mountain across the street. The pentathlon, a 5 sport race, includes a Run in the valley, followed by a kayak course on the Saco River, transitioning to a road bike up to Pinkham Notch, from there a hike to the bottom of Tuckerman bowl, where finally skis are carried to the top of the bowl to ski a course through gates down the Left Gully. The challenging environment and remote location of the venue make it a true adventure and exciting event, even for the spectator. This year at Wildcat it will be possible to attend a similar event across the street, and be "lift-served". Check out the race stuff at www.friendsoftuckerman.org. In addition to 1 or 2 days at Tuckerman, reduced rate skiing at either Wildcat or Sunday River, only a short walk or drive away is usually fantastic. The make-up of the group will usually decide what activity options to enjoy with; hiking, back country skiing, resort skiing, or cross country skiing all available.

Lodging: 4 nights at AMC's convenient & rustic Joe Dodge Lodge at Pinkham Notch; with 2 meals, breakfast and dinner included. Meals are served across the courtyard at the Pinkham Notch Visitors Center where there is also easy access to the Tuckerman Ravine Trail and the Sherburne Ski Trail. The nights of 4/16 through 4/19 are reserved with AMC rates for our club group. Reserved are 3 two-bunk rooms for 6 people. Joe Dodge has men's and women's separate shared bath/shower rooms.

Meals: Thursday night through Monday morning breakfast and dinner are included (MAP). Participants will have to plan their own lunches, travel meals and snacks. Box lunches, souvenirs and supplies are available from the staff at the Visitors Center.

Lift Tickets: Already discounted at resorts and should allow between \$35 -- \$40 for each day of lifts.

Itinerary Options: activity options chosen for each day would depend on the following suggestions; travel days Thursday (4/16) and Monday (4/20); least crowds to ski Tuckerman on Friday; Inferno Race both at Tuckerman and Wildcat Saturday (4/17); with Sunday (4/18) open to skiing, hiking, etc. Transportation best arranged by carpool for approximately 9 hour trip.

Payment Information: deposit first night's lodging of \$57 upon sign-up. Final payment of \$170.36 due by January 23.

Cancellation policy: Full refund before March 17; \$159.15 (70%) by April 1; forfeit full amount after April 1.

Reservations & Questions: Send form below to Mel Stiles, 456 Woodruff Trail, Mullica Hill, NJ 08062; phone 609-230-5046 or email stilesmj@verizon.net
