September 2009 www.buckridgeskiclub.org

Welcome Back!

We hope your summer was enjoyable. It always seems to go by fast, but that just brings us closer to ski season. The board has been working hard to finalize the ski schedule for the coming year, and we have a great schedule lined up. Registration forms for most major trips are inside.

Don't forget its time to renew your membership—renew by the end of September and take advantage of the \$5 early bird discounted rate.

Dave Singer, our new club president, presided in his first official capacity at the summer board meeting and has high hopes for the club in the coming year. Read about his goals for the coming year in the President's Corner on page 2.

Between the summer board meeting and the annual lodge meeting, there is a lot happening:

- Mel Stiles has temporarily assumed lodge reservation duties. Members wanting lodge reservations during the next month or so should contact Mel Stiles at 609-230-5046 or stilesmj@verizon.net.
- Rachel Singer has stepped forward to take over the duties of activity treasurer from Kay Schmader. The board thanks Kay for her years of service, and looks forward to working with Rachel and getting some young blood flowing!
- Lodge rates for guests were raised—they will be \$25/nite in season and \$12.50/nite off season. Rates for members were held the same. Woodbridge Lodge remains one of the best values out there among ski clubs that maintain their own lodge properties.

PRESIDENT'S CORNER

Hello Buck Ridgers,

As your new president, I'd like to introduce myself and give my ideas as to where our club is and what we can do over the next several months to make it more successful into the future.

Although I was installed with the other 2009-2010 officers at the May meeting, my first official function as president was to preside at the Summer Board of Governors Meeting and Picnic. We had a terrific turnout of present and former officers and board members, as well as many guests.

As for my background, I started skiing on the small hill behind my house at the age of 5. Since there was no lift, I learned to "herringbone" up the hill before I learned how to turn going down. I began skiing at lift served areas in upstate New York and Vermont by the time I was 8. After going to many different areas in New York, Massachusetts, Vermont and Quebec while in high school and college, I spent three years in Washington, D.C. far from any reliable natural snow (You may remember that man-made snow was rare in those days).

In 1969, in search of decent snow conditions, I flew to Colorado for the first time. I decided to only ski in the west from then on. I moved to Seattle a few years later and only skied in the Western US and Canada for the next 16 years. In 1990, I returned to the East to take a job as an airline pilot with Pan Am Express, headquartered in Philadelphia. Because my days off were usually during the week and changed every month, it was difficult to find other skiers with a similar schedule.

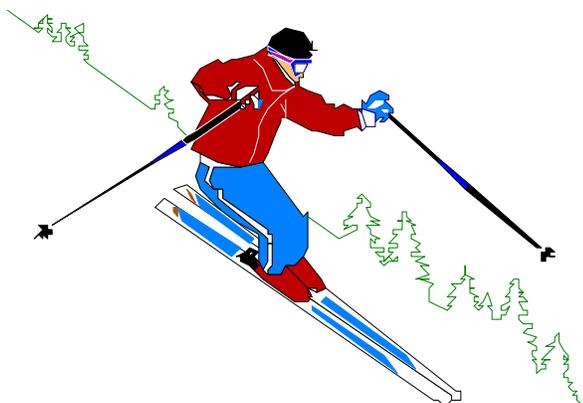

Finally, in 2004, I received a gift of some personal training at my gym. Having requested a male trainer about my age, I met Mel Stiles for the first time. Mel immediately asked if I was a skier. He then offered to introduce me to BRSC, where I found a warm, compatible group to ski with on my own schedule from Woodbridge Lodge and on our myriad of trips. The rest is history, as I became Vice President of the club when Mel had his latest two terms as President.

Today, thanks to the efforts of the Buck Ridge officers and committee chairs, our club is financially sound and able to help the lodge committee as they look for new ways to meet early season expenses before the ski season gets into full swing. Our experienced trip leaders, ably led by Ski Committee Chairman Dan Aronson, have varied and interesting ski trips planned for the upcoming season with successful participation anticipated from our many active members.

Our new Program Chairman, Wayne Michaelchuck, has a full lineup of meeting programs from our traditional pre- and post-season ski trip reports, fall fashion show and holiday party to more eclectic programs, such as Mel's months on the Appalachian Trail to biking in the Middle East, research on bats in Mexico and jumping spiders in Trinidad and sailing on the Chesapeake. Those who regularly attend club meetings (starting at 8PM on the second Wednesday from September through May, except for January) can attest to the enjoyable companionship and socializing, along with delicious refreshments organized by Ken Weller.

If you have never been to a meeting (or not for a long time), come out and see what you have been missing. Then tell one of the officers that you are willing to volunteer to help Buck Ridge move forward by serving on a committee. Many members of the Board have served in their positions for many years. We need new ideas and energy from both our many new members, as well as those who have been around a long time in order to keep our club strong and vital. Ultimately, it is essential to have your participation in the operation of Buck Ridge to keep it the great ski club it has been for over 60 years.

ACTIVITIES & TRIPS

SKIING

Our ski schedule has been finalized and promises to be a good one. Jay Peak has been confirmed for February 21 thru 27 at a price of \$750; the first deposit of \$100 will be due October 5. Unfortunately it will not be in the new hotel. The Sugarloaf trip, always a good bang for your buck, is also on the schedule.

For western trips there is both the EPSC Winter Carnival at Heavenly / Lake Tahoe at the end of January and our club trip to Whitefish, Montana. Members interested in Heavenly / Lake Tahoe will need to sign on with the EPSC Melting Pot; see page 6 for details.

The Whitefish trip will be from Sunday to Sunday, March 14 thru 21. This is a change from the preliminary information circulated on the trip due, once again, to airline issues. However, the mountain (www.skiwhitefish.com) has a lot to offer and the Kandahar Lodge (www.kandaharlodge.com) looks to be first class facility. It offers a ski-in location at the end of your day, with lift access a short walk across a parking lot.

The first deposit of \$300 for this trip is due September 15. While the package price is very attractive, keep in mind this does not include in-airport baggage fees, fuel surcharges, or other costs the airlines seem to randomly tack on these days (makes the AMTRAK trip to Jay Peak look better every year!) However, as an added bonus the first 10 people to sign up for the Whitefish trip will get a FREE WATER BOTTLE!!! The tour operator also offers an optional trip insurance policy should you need to cancel due to medical reasons— include a note with your reservation if this may be of interest. Unfortunately, it does not cover airline cancellation or delays!

Details on the entire season and sign-up sheets for most trips are in this newsletter or on the BRSC web site. When signing up for a trip, don't forget to include a signed release form that may be found on the bottom of the ski schedule.

The Park Ridge Hotel in King of Prussia will host the event on Friday, November 6 from 7 to 10 pm. See page 5 for all the details. Check with MaryAnn Thomas, EPSC rep, for ticket information.

HIKING

Our Wednesday short hikes schedule was not available as of press time... check the web site for the most recent updates when it is released.

BIKING

Thanks to Phil Donohue for organizing an Alloway to Greenwich midweek ride. We still need folks to step up to lead rides!

RIDE LEADERS WANTED!!!

Do you have a favorite place for riding your bicycle that you would like to share with other Buck Ridgers? Ride ideas and leaders are needed for May through October. Contact Biking Chair Susan Hearn at 215-386-8008 with suggestions or to volunteer to lead a ride.

Welcome Back! (Continued from page 1)

- We are looking into holding the Holiday Social at Bear Creek Resort outside Quakertown. There will be a buffet dinner with a lift ticket included (just in case there is enough snow to ski on!), a 50/50 raffle to benefit the lodge, and presentation of club awards (moved from the June meeting). Look for more details to be forthcoming.
- The lodge work party will be held September 25-27, and will coincide with the Vermont Life Wine and Harvest Festival. Space is limited—see page 10 for details.

There's lots more to report—come out to the September meeting for all the details!

Don't forget... Our late summer corn roast at Linvilla Orchards returns this year on September 12. Bid farewell to summer with swimming and picnicking, courtesy of the Linvilles. Contact Jalna Schuler (215-848-5247) for more information.

The bylaws of BRSC provide for a fiscal year renewal of dues by October 31st. If you renew by September 30th, you qualify for an "Early Bird Special." Renewal is at the regular rate between October 1st and October 31st. **After November 30, dues are delinquent and membership is terminated.** Delinquent members have one year from November 30 for reinstatement by adding a \$4.00 reinstatement fee along with the regular renewal rate. The deadline for the printing of the membership directory will be November 15th with distribution before the end of the year. You will not be listed in the directory if dues are not paid by that date.

Please include names and birth dates of all children under 21. Initiation fees are required for a new spouse (\$2) or a new child (\$1) to have them included in the directory.
